We wish to advise that when you are in attendance at an event with us, good conduct is expected of all of our members, at all times. We pride ourselves on our good reputation with event organisers.

We are covered for Third Party Public Liability Insurance. This insurance only covers team members when members are at an event, with the team. It does not cover you when you attend an event on your own, without the team being invited to that event. Being a member of the team does require you to attend at least 5 events in one calendar year.

All events are posted on the team website. You will be notified by the team manager (Mr D.Butler) when new events are booked.

Once you have completed this form, you can either attend an event & introduce yourself, or if an event is too far in the future, you can attend one of our frequent meetings. For further information regarding this, please telephone the team manager on 0774 525 8639.

Thank you for your interest in our group. We look forward to meeting you soon!
